

Lincoln County
Board of County Commissioners
Special Meeting Minutes
March 26, 2024

Lee Doolen called the meeting to order at 6:32 P.M. Commissioners Marlon Miller and Will Fine were also present. District Attorney, Adam Panter, Assistant DA, Stacy Bateman-Woods and County Clerk, Alicia Wagnon were also present.

The Commissioners each took a moment to speak and expressed that a lot of research had been done and it was determined that without zoning already in place, the Commissioners would not be able to sign a moratorium that would be successful in stopping the wind farms. It was suggested that concerned citizens talk to their neighbors and express their concerns over the wind turbines and the negative impacts wind farms could have on the county.

Assistant DA, Stacy Bateman reiterated the Commissioners' statements.

The Commissioners informed the public that they would stick around after the meeting to answer questions, but would have to separate due to Open Meeting laws.

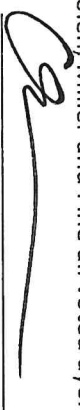

Miller made a motion to adjourn. Motion seconded by Fine. Doolen, Miller and Fine all voted aye.
